All over the world the Vincentian Family is being called not only to assist the poor in their immediate needs by providing food, clothing and shelter, but also to help them change the social system within which they live, so that they might emerge from poverty. These stories will touch your Vincentian Heart and call you to action!

For that reason, the international Vincentian Family has chosen Systemic Change as its focus for 2008 – 2009. To help the Family reflect on the theme, the members of the Vincentian Family's Commission for Promoting Systemic Change have written *Seeds of Hope: Stories of Systemic Change*:
